SUMMER PROGRAM 2010

(FOR CHILDREN AGES 15 MONTHS TO 12 YEAR OLDS)

Come join us for a fun-filled educational summer program. We are excited about the four themes the elementary children will focus on this year. The Children's House and Our Nest classes will again follow a typical Montessori program, participating in some of the special projects and field trips associated with each session. Register for any combination of sessions (including all 4!) that fits your family's busy summer schedule. Here are the dates and themes for each two-week session:

Full Day 9:00 a.m. – 3:00 p.m.

Half Day 9:00 a.m. – 12:00 p.m.

(Before and After Care available, 8:00 a.m. – 6:00 p.m.)

Session One: "All the World's a Stage!" – June 14th to June 25th

Whether you're a natural or a newbie, join us for a session of acting and all things theater. Learn staging vocabulary and all that is involved in putting together a show. This session will culminate with a production of our very own! *Instructor: Carol Martorano*

Session Two: "De Viaje!" – June 28th to July 9th (No Camp Mon. 7/5)

Join us as we journey into Spanish-speaking cultures around the world. Each child will experience a different country through webquests, crafts, maps, cooking, music, and more! Then they'll have the opportunity to share their adventures with their fellow explorers. It will be a trip to remember! *Instructor: Lori Hurley*

Session Three: "Doodles and Designs" – July 12th to July 23rd

Are you creative? Do you like to draw? Come explore design in art and nature in everyday settings. Learn about design in advertising and redesign packaging for some of your favorite items. *Instructor: Anne Eckert*

Session Four: "Grossology" – July 26th to August 6th

Sometimes it's stinky! Sometimes it's crusty! Sometimes it's slimy! But often that could be the food people eat - like tarantulas in Cambodia or Rats in Thailand. OR it could be your body - scabs, pus, snot, and vomit. Oh yes, words you MAY use during Grossology. OR it could be the those animals that make us go "Yuck!" Join us for two weeks of disgusting science - if you've got the 'guts' to do it! *Instructor: Debbie Blackburn*

TUITION: \$75 Deposit required - This will cover activity fees.
