

Infant/Toddler Directress

Hello! My name is **Maria Paola Carrion**.

I was born in Ecuador and I have been living in Chicago for the past 18 years; it has been a wonderful journey!

I have two adorable children; Nicolas and Lucas and I love spending outdoor time with them. My favorite place is the beach, but I also enjoy traveling, practicing yoga, listening to good music and reading books.

I hold a Montessori Infant/Toddler Credential.

I have been working at AGBMS since 2014. I love having a job where I am rewarded daily by the amazing love and gifts of each child in my care. It's truly a unique experience to connect with the children and watch them grow everyday while learning through laughter, work, and play. I am so grateful to be part of this process and a member of this learning community!

Whoever touches the life of a child, touches the most sensitive part of a whole which has roots in the most distant past and climbs toward the infinite future. The greatest gifts we can give our children are the roots of responsibility and the wings of independence.
