Additional Class wish list:

- thick and thin colored Sharpies
 - thick and thin black Sharpies
- **These items are not required but are frequently used in the classroom.**
- Any donations are appreciated.**

Please check with the teacher before sending in any supplies that are not on the list.

Shoes:

Students will need a pair of inside shoes that stay at school. Upon entering the classroom they will take their outdoor shoes off and switch to inside shoes. Outside shoes should be close toed so they are able to play freely outside, especially in the wood chips.

Backpacks:

Each student will be required to keep their belongings in a backpack. They should have an extra pair of clothes kept in it in case they get wet or an accident happens.

Lunch/Snack:

Students are able to choose when they want to have a snack during the morning work cycle and eat at a designated snack table. Each student brings their own snack and lunch. Please make sure to include proper utensils for their lunch/snack. The school is a nut free zone.

Water Bottles:

All students should have a reusable water bottle. Make sure it is labeled with their name. There is a water fountain in the classroom so they can be refilled.

Thank you, we know it is going to be a great year already!
