

# Our Mission, Vision, and Values

## Mission Statement

Following the original vision of Dr. Maria Montessori ~  
AGBMS-AEHI delivers exemplary outcomes for children who are hearing or deaf. All who enter our doors are treated with dignity and respect. Grace and courtesy are the cornerstones of our work. All who enter our doors are treated with dignity and respect and in turn learn to care for themselves, care for others, and care for their environment.

## Vision Statement

We will be a thriving Montessori school, delivering exemplary outcomes for children who are hearing or deaf from infancy through middle school.

## Values Statement

AGBMS-AEHI inspires lifelong learning and encourages creativity within an innovative environment that is rooted in the Montessori philosophy and accessible to all children.
